Display Description: _____

Used exhibits, depending on their age, condition and marketability, normally sell for 10% to 40% of the original purchase price (hardware only, not graphics). You need to determine a minimum selling price that you will accept, and work with us to agree on an advertised selling price. You must approve any offer made below the set minimum.

Advertised Selling Price _____

Minimum Selling Price _____

We will take a 30% commission on the sale of the hardware, so we are motivated to get more than the minimum price for you.

The labor charge for setting up your display in our facility is as follows: Table-tops and pop-ups = NO CHARGE; 10' panel systems/modular/custom = \$ 80.00; 20' linear or islands = \$ 200.00 minimum (to be quoted upon review of display). **If we sell the display, we will refund this labor charge.**

If you sell the display yourselves after the display has been set up in our facility, you must pay us for storage, the initial set-up fee and a dismantle and repack fee (equal to the set-up fee) before the exhibit may be removed from our facility. The dismantle and repack fee will be waived if you perform this labor yourselves. Storage on this exhibit is _____ **per month. There are no storage costs or dismantle/repack fees if we sell the exhibit.**

This agreement is for 6 months. If the display is not sold after 6 months, both parties have the option to cancel or extend the agreement. If we decide to cancel the consignment, you owe us only for the set-up fee (nothing for storage costs or dismantle/repack). **If you decide not to continue consignment, you will incur the labor fee for set-up and dismantle/repack, but nothing for storage.**

FREIGHT: You are responsible for shipment of the display to Renze Display.

ADDITIONAL SERVICES: Any repairs or upgrades requested are additional and will be quoted and approved before production.

INSURANCE: It is understood that Renze Display will handle materials in a workmanlike manner and will be responsible for any damage that results from our handling. It is expressly agreed that Renze Display is not responsible for damage to stored materials because of fire, water, wind, temperature, vandalism, burglary, and/or theft. **Client must supply a certificate of insurance on the consigned property.**
